

Our Statement of Faith

We are affiliated with the Southern Baptist Convention and have been for many years.

- We believe the Bible is God-inspired and without error.
- We believe that every person is created in the image of God and should be treated with dignity, regardless of race, ethnicity, religion, or gender.
- We believe that God's design for a family consists of one woman married to one man for a lifetime.
- We believe that everyone has sinned against God.
- We believe the "good news" is that Jesus died for our sins and that he rose from the dead.
- We believe that salvation is only possible through faith in Jesus Christ.
- We believe that real faith is more than words we might say. Our actions validate our claim to faith.
- We believe that God has called us to join him in world missions. • We believe that we must begin engaging our world at our front doorsteps.
